03 / HANDOFF

Review the cut. Then hand it over.

retrigger.mid

720 ticks · 0.750 s

480 → 1200 · retrigger

13 synthetic / 0 omitted

onsets.mid

720 ticks · 0.750 s

480 → 1200 · new onsets

11 synthetic / 1 omitted

ZIP: MIDI clips / reusable recipe / complete boundary-event CSV / recipient guide. The source MIDI is not included.

▼ Preview the boundary receipt

First 100 synthetic and omitted events. The ZIP contains the complete ledger.

Clip	tick	ch	Event	Decision
retrigger	0		tempo 500000	synthetic: entry tempo
retrigger	0		timeSignature 4 2 24 8	synthetic: entry time signature
retrigger	0	1	program 40	synthetic: entry state
retrigger	0	1	cc CC1=0	synthetic: entry state
retrigger	0	1	cc CC7=90	synthetic: entry state
retrigger	0	1	cc CC10=32	synthetic: entry state
retrigger	0	1	cc CC11=127	synthetic: entry state
retrigger	0	1	cc CC64=127	synthetic: entry state
retrigger	0	1	noteOn 60:80	synthetic: retrigger sustained released key
retrigger	0	1	noteOff 60:0	synthetic: release retriggered key under sustain
retrigger	720	1	noteOff 67:0	synthetic: truncate key at end
retrigger	720	1	cc CC64=0	synthetic: release sustain at end
retrigger	720		endOfTrack 720	synthetic: retain exact declared duration
onsets	0		tempo 500000	synthetic: entry tempo
onsets	0		timeSignature 4 2 24 8	synthetic: entry time signature

onsets	720		endOfTrack 720	synthetic: retain exact declared duration

HONEST BOUNDARIES

A handoff tool.
Not a sound-engine replica.

Only SMF 0/1 with PPQ timing. Rejects SysEx, pitch bend, pressure, other CC (including bank, RPN/NRPN, MPE setup, sostenuto and portamento), overlapping sounding same-channel/pitch notes and channels owned by multiple tracks.

Keys and sustain are released at the end. MIDI duration is exact; a sound engine’s release tail may continue afterward. No audio player, recorder or automatic musical-section inference.

Text and markers inside the range are retained. Earlier text is not copied; supply any required attribution separately. You are responsible for permission to use the source MIDI.
